Wilbur R. Sargent

1881 - 1962

Friday, October 13th, the citizens of our town were saddened to learn that one of its oldest and much esteemed citizens, Wilbur R. Sargent, who lived alone, had been found dead in his home, due to cerebral hemorrhage.

Mr. Sargent was born in Merrimac, March 21, 1881, the son of Alvah and Willamine (Chase) Sargent. Later, the family came to reside in Newton where Wilbur maintained citizenship the major part of his life.

He received his first instruction in the local town schools and pursued higher education in Boston, where he specialized in accountantship. The greater part of his life he was employed as an accountant in Boston. In later life he returned home to be nearer his aging parents and was employed by the F. B. Keene Company of Amesbury.

At this time he took an active part in the Civic affairs of the town. March 8, 1920 he began a three year term of service as Selectman. Although re-elected to a second term, he resigned March 10, 1925, a year before the expiration of it. For 17 years, from March 13, 1928 to March 12, 1945 he held the office of Town Treasurer.

Always interested in the Civic betterment of our town, he, with the late Hayden Cheney, were one of the first to obtain the First Bond Issue to build roads in town.

He was a member of Gideon Lodge, A. F. & A. M., of Kingston, N. H.; a former member of local Eclipse Grange which he served as treasurer for a number of years; and an attendant at the local Baptist Church in his younger years.

He was a willing donor to the religious and social welfare of the town. While he never married, he was known as a very kind neighbor and showed an unusual fondness for children who, in turn, regarded him as their special friend.

Wilbur was thorough, conscientious, and efficient wherever he served; his aim being to maintain the offices and institutions of the town at the highest level. His sudden death brought to mind these qualifications he had so nobly exemplified when serving our town. These, we, its citizens, hold in grateful memory of his faithful service.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Newton on Tuesday, the 12th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear reports of Town Officers and pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

6. To see if the Town will raise and appropriate the sum of \$264.77 to receive \$1,765.16 for Class V Roads.

7. To see if the Town will raise and appropriate the sum of \$3,500.00 to pay their share of installing signals at Crane's Crossing. This amount apportioned by the Dept. of Public Utilities.

8. To see if the Town will authorize the Selectmen to remove the existing Red Cross room, and store contents in an existing room at the rear of the vault.

9. To see if the Town will vote to pay the Collector of Taxes as full compensation for the collection of property and poll taxes a commission of 1% of the sum collected.

10. To see if the Town will vote to raise and appropriate the sum of \$400.00 to purchase 100 new chairs for the Town Hall.

11. On the request of ten legal voters of Newton, to see if the Town of Newton will vote to authorize the reassessment of all property to include land and buildings, house trailers used as dwellings and all taxable property within the Town of Newton. This reassessment to be conducted by qualified assessors other than the Selectmen and a copy of this reassessment with a description of the property to appear in the Annual Town Report.

12. On the request of ten legal voters of Newton, to see if the Town of Newton will vote to raise and appropriate a sum of money not to exceed Three Thousand Dollars (\$3,000.00) for the reassessment of all taxable property in the Town of Newton.

13. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred and sixty-three.

On motion of Everett Coombs for the Finance Committee, it was voted to accept the list of estimated expenditures for the ensuing year 1962, appearing on pages 11 and 12 of the 1961 Town Report, excluding the item of School Taxes, as the Town Budget for the year 1962, and to raise and appropriate the amount necessary to cover the same, namely \$39,137.91.

Article 3. It was voted that the reports of the Town Officers as printed in the Town Report be accepted.

Article 4. It was voted that the Selectmen be authorized to hire money in anticipation of taxes.

Article 5. It was voted to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

Article 6. Regarding raising \$261.51 to receive \$1,-

743.42 for Class V Roads, this has already been raised under Article 2, so is unnecessary for further action.

Article 7. On motion of Ralph Bean, it was voted to authorize the Selectmen to have full jurisdiction of the installation of all new street lights, having regard to the safety of the general public.

Article 8. It was voted to raise the sum of \$300.00 for new tops on two reservoirs; one at Newton Junction; and one by the Main Fire Station at the Center; also new metal posts and heavy wire fencing for the fire well on Peaslee Crossing Road near William Page's residence.

Article 9. (Which had been omitted from the warrant) — To transact any further business that may legally come before the meeting:

The moderator re-appointed to the Finance Committee, Ralph M. Bean, Everett E. Coombs, and Forrest T. Reynolds, Jr.

(Also re-appointed the retiring member of the Board of Appeals.)

It was voted that starting the second Tuesday of March 1963, the polls be open for balloting at 10 a.m. and close at 7:30 p.m.

It was voted to adjourn at 8:30 p.m.

A true copy Attest: PEARL R. WILLIS, Town Clerk

The Will of Emma Gale Harris

“For the benefit of my native town of Newton, Rockingham County, New Hampshire, I give and bequeath to Harris Trust and Savings Bank, its successor or successors and its or their assigns, the sum of Twenty-five thousand dollars (\$25,000) to be known as the ‘Gale Memorial Fund’ in memory of my parents, Dr. Jonathan Greeley Gale, who there practiced medicine for forty years, and my mother, Susan Shaw Gale, whose noble character and unselfish love were an inspiration to all who knew her, said fund to be held by my said Trustee upon the following trusts, that is to say:

“From time to time to disburse the net income from said Trust Fund for the benefit of the sick poor of said community, or in any other way which shall accomplish the greatest good for said town, upon the recommendation of the Board of Selectmen of said Town of Newton, subject, however, to the approval of my sons, Hayden Bartlett Harris and Stanley Gale Harris, or the survivors of them.”

AUDITORS' REPORT

REPORT OF THE GALE LIBRARY TRUSTEES

Work and problems of the library, like school needs and problems, are continually growing. Continually increasing school enrollments demand increasing requirements, both in the field of books needed and work load of the librarian. The trustees and librarian are considering longer hours of opening. Several factors, including school practices and transportation, must be considered to provide the most benefits to the most people before the decision is made. Suggestions from any resident will be taken into consideration by the personnel. Changes made will be governed by the wishes of the majority.

The librarian and trustees have, after giving considerable time in attendance at area meetings conducted by State Library officials, united with libraries of Kingston, South Hampton, Brentwood and Kensington in order to obtain far greater benefits to the townspeople for the money spent in this department.

Each town, by placing a portion of their book funds in the hands of the State Treasurer and ordering books through the State Library, will obtain State Library discounts, discounts which are far greater than could be obtained by an individual library, thus providing more books for the same amount of money.

In addition, libraries participating in area groups, will be given books purchased through the Shieling Trust Fund, a state library fund. Books purchased from this fund will be in the more expensive category which small libraries would not find it possible to buy, or for which the demand would not be too great, yet would be available, if and when requested. Books purchased with Shieling funds must be made available to card holders in each of the five towns.

The librarian and trustees must attend the area meet-

ings to be held bi-monthly when books will be reviewed, assistance and advice given by State Library officials, and for the placing of orders.

Books, like every other commodity, have increased in price the past few years. The book dollar goes no further today than that of any other necessary article. The state should be commended for giving this assistance to small libraries. We are most appreciative for being among those chosen to participate in this beneficial project.

Our library observed National Library Week last April, and as in the previous two years, received Honorable Mention for our program plus an award from the State Library of a book on the Renaissance. We express appreciation to all who worked so efficiently to make it such a success, to Twilight Lodge of Odd Fellows for granting us use of their hall for the extensive displays of the schools, churches, and organizations in addition to our own, and to Mrs. Rachel Sanborn, Bookmobile librarian, for traveling many miles to provide books to tie in with the many subjects covered.

Our local theme, "Neighbors — Near and Far," was based on an original poem written especially for the occasion by our own trustee, Mrs. Ellen L. Pelletier.

A reading club for children was carried out during the school vacation period, to encourage and stimulate their interest in reading. We were greatly pleased with the response. A party, with the showing of films and refreshments provided by the trustees, concluded this special feature.

Again we say "Thank You" to the Kingston-Newton Garden Club for floral displays and the wreath for the door during the holiday season. Also to all friends and interested persons for gifts of books and magazines throughout the year. The Bookmobile service, with its hundreds of books loaned, continues of inestimable value.

Why don't YOU come in and browse around and be-

come one of our readers? If you cannot find what you like, name it, and we will try to procure it for you.

POLICE CHIEF'S REPORT

To the Board of Selectmen
Newton, N. H.

Gentlemen:

The work of the Police Department, in this report, includes only the work accounted for in the town budget for 1962. The men of the department have spent many hours, over and above the time stated, patrolling Newton roads. Time spent on Road Patrol, at regular intervals, by the Police, totalled a noticeably increased amount of hours, for this past year. The Newton Police feel this extra voluntary time is essential to curb speeders and reckless drivers.

Townspeople are urged to cooperate with the Police in this matter. Follow and understand the rules of the road at all times, keep your mind on your driving, when operating a vehicle.

According to reports from the State, the crime rate amongst teen-agers is on the upswing. In comparison, according to the Newton Police files, we should be proud of our youths and juveniles. Activities provided for the youths, by Churches, Schools and Community groups, should have full support and encouragement.

The BB's, auxiliary to the Police Department, have been extremely beneficial to the Department again this year. The annual Hallowe'en party, sponsored by the Police Department, was a successful affair, under the supervision of the BB's. The Department expresses gratitude to the BB's for their financial and moral support throughout the year.

Preventing Forest Fires Is Our Responsibility

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545.00. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634.00. What utter waste

of tax money and what shameful and needless loss of timber and esthetic values in the 2,200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man-caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 4 Railroad fires.

We burned 14 acres.

Permits issued.

THE STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Newton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twenty-first day of March, 1963, at eight o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.

2. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

3. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

4. To see if the District will vote to construct and equip an addition to the Memorial School, to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable in connection with the construction and equipping of such an addition and authorize the school board to issue bonds or notes in an amount

not to exceed One Hundred Forty Thousand Dollars (\$140,000.00) for the purpose of financing such construction.

5. To see if the District will vote to raise and appropriate the sum of Two Thousand Six Hundred Twenty-five Dollars (\$2,625.00) to meet the first interest payment on the notes or bonds authorized in the preceding article.

6. To see if the District will vote to raise and appropriate Four Hundred Seventy-eight Dollars (\$478.00) to operate the addition to the Memorial School.

7. To see if the District will vote to raise and appropriate a sum not to exceed Twenty-five Hundred Dollars (\$2,500.00) to cover a deficiency incurred during the current school year, such sum to be paid over to the District Treasurer prior to June 30, 1963.

8. To see if the District will vote to raise and appropriate the sum of One Thousand One Hundred Forty Dollars (\$1,140.00) as Newton's share of the cost of a professional survey of secondary school housing.

9. To transact any further business that may legally come before the meeting.

Given under our hands at said Newton this twenty-third day of February, 1963.

**Records of the Annual School Meeting of the School District
of the Town of Newton, March 15, 1962**

The meeting was opened for balloting at 6:00 p.m. by the Moderator, Clifford R. Bryer. The polls were closed at 8:00 and the business meeting opened at 8:33 with the invocation offered by Elmer E. Young, Pastor of the Baptist Churches.

Article 1. The following officers were elected by Australian Ballot: Moderator, Clifford R. Bryer; Clerk, Mrs. Lorraine Lukas; Treasurer, Otis R. Rowell; School Board Member for three years, John F. Swasey, Jr.; Auditors, Everett O. Kelly and Everett E. Coombs. There were 144 Ballots cast.

Article 2. "To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relative thereto." On motion by John F. Swasey, Jr., the reports were accepted as printed in the Town Report.

Article 3. "To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant." On motion by John Swasey that this article be accepted as printed in the Report with this amendment: Officers not elected by Ballot shall be appointed by the School Board; this amendment was voted favorably.

Article 4. Fred Cust made a motion that, "The School Board be authorized to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies," be accepted as written in the Warrant. They are so authorized.

Article 5. On motion by John Swasey, the Town will raise and appropriate \$112,925.29 for the support of schools; this motion was carried.

Article 6. Horace Williams made a motion that, "the District approve the formation of a School Building Committee of seven members to be composed of one selectman, one school board member and five members-at-large to be appointed by the Moderator and to raise and appropriate \$2,500.00 to be used for preliminary plans and necessary expenses for a proposed addition to the Memorial School," be accepted as written in the Warrant. This motion was approved.

Article 7. A motion was made by Mr. Swasey to accept this article as written in the Warrant which was to appoint a committee of five members for the purpose of studying secondary school needs. The Moderator appointed Wallace Nyberg, Mrs. Edna Boyd, Maurice Pelletier, Roland Estabrook and Vernon Storey. This committee was voted in.

Article 8. On motion by Horace Williams, it was voted to conduct the elections of school district officials at the same time and the same place as the election of Town officials.

Article 9. As final business to legally come before the meeting, the Moderator appointed the same School Building Committee, under Article 6, as in the 1960-61 Committee, i.e., William A. Baker, Ward B. Brown, Kenneth F. Briggs, Ellen F. Bean, William D. Cross, William J. Moisan and Leo H. Storey.

It was voted to adjourn at 9:05.

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your school board has been operating during 1962-1963 and their estimated expenses for the year 1963-1964. It must be taken into consideration that monies appropriated in the month of March, to be used the following year, do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newton:

I am presenting herewith my Seventh Annual Report as Superintendent of Schools in Newton. A report from the Principal will discuss more in detail the activities of the schools. Statistical reports are listed separately.

Personnel

Two new teachers were added to the teaching staff this year. Miss Joan Lester, a graduate of Keene Teachers College, teaches grade 5 at the Community Hall adjoining the Memorial School; Mrs. Norma Williams, a graduate of Beaver College in Pennsylvania, teaches grade 2 at the Rowe's Corner School. Mrs. Norma Bates continues to assist at the Rowe's Corner School, but works full time.

All teachers have continued membership in all local, state and national professional organizations. Three teachers have taken courses this past year to improve themselves professionally.

It is imperative that we continue to evaluate the salaries of our teachers. As salaries continue to rise in our neighboring towns and cities Newton must attempt to meet this competition or the education of our children will suffer. At least we must meet the minimum salaries set up by our neighbors.

Curriculum

The class in special education has continued to prove its worth. It is housed in Atkinson this year. The School District continues to help finance the education of two pupils in the trainable class in Exeter.

Through the generosity of the Parent-Teachers Association television can now be enjoyed in all Newton Schools.

We have started a program of modern mathematics in grades one and two. The pupils in these classes will learn by discovering and understanding rather than by rote. The introduction of concepts of algebra and geometry are started at an early age — in simplified form of course. We expect to continue the program in grade three next year, and possibly in grade four.

In grade one we are using the Phono-Visual method of teaching phonics in conjunction with the reading program. This is based on pictorial charts arranged on a scientific phonetic foundation together with a definite plan for training in auditory and visual discrimination.

The School District continues to take advantage of funds provided by the Federal Government for special projects in mathematics and science.

We are now studying the possibility of using programmed texts in the junior high to help in the teaching of English grammar and its usage. Programmed texts use the same approach as a teaching machine, but each pupil has a copy. Using a teaching machine only one pupil can use it at a time. A programmed text would be supplementary to the regular program if it is adopted.

The long-range evaluation program started last year by the teachers continues in force. They are working in conjunction with all teachers in Union No. 55 and from this evaluation it is expected that specific recommendations will be forthcoming which should prove helpful in improving our schools.

Housing

There are two major problems confronting the school district of Newton. Namely, to provide additional elementary classrooms, and what to do about our high school students who may not have secondary facilities provided for them. The most acute problem is already with us — what

to do about increased enrollments in the elementary grades. Last year we had 225 pupils in the elementary grades. This year on December 13, 1962, at our last count, we had 257 pupils, an increase of 32 pupils. Forty-seven of these pupils are in the first grade. It is expected that we will have over forty in grade one next year making it imperative that we build, not only to accommodate these two grades, but future grade increases as well.

Your building committee is proposing a seven classroom addition to the Memorial School. This would close the Rowe's Corner School, permanently, which is a sub-standard school. For next year, to save on heating the Village School, it is recommended that all classes be housed at the Memorial School. This means that the Memorial School and the proposed addition will be completely filled. It will be able to handle the class that has been housed at the fire house and provide an additional first grade and an additional second grade where the grade enrollments will exceed forty pupils.

Another problem is the future housing of your high school students. At present your school board and members of your committee to study secondary needs are looking into various possibilities. Sanborn Seminary has announced its willingness to turn over their buildings to a regional group for an unannounced price with certain restrictions. The Interim Commission Report was distributed in December with the recommendation that Newton tuition its pupils to Salem. It is still possible to tuition pupils in Amesbury, Haverhill and Sanborn. In each case there are extenuating circumstances. Amesbury will take only a limited number. Haverhill may shut off tuition pupils at any time and Sanborn is concerned about being able to handle the increased enrollments. If a regional group is formed to take over Sanborn Seminary it will be necessary to start a building program. There is also the possibility of joining with other school districts to build your own cooperative school. At this time, your Superintendent makes no recommendation because there are not enough

facts available to make an intelligent decision. Your study committee should pursue each possibility to its fullest.

Appreciations

I wish to express my appreciation to the School Board, Principal, teachers and pupils for their help during the year.

I also thank the Parent-Teachers Association, the Newton Junction Fire Association and all civic organizations, parents and friends of the children for their support and interest in the activities of the pupils.

Respectfully submitted,

WENDELL V. DAVIS,

Superintendent of Schools.

REPORT OF THE PRINCIPAL

To the School Board and to Mr. Wendell V. Davis, Superintendent of Schools:

I am pleased to have this opportunity to present the annual principal's report on the activities of the past year in the schools of Newton. We are striving to maintain a high level of instruction and school operation as experienced in the past. We are also trying to direct each child in his effort to achieve his full potential as an effective student and also prepare him to be a thinking and enlightened citizen in a complex world.

We are well equipped with audio-visual aids to enrich our curriculum. Our equipment consists of a 16 mm. sound-movie projector, three filmstrip projectors, three record players and three 21" television sets housed respectively in our three buildings. Planned films, filmstrips, and television programs together with integrated lesson development help stimulate interest and provide more meaningful instruction.

Achievement tests, usually administered in October, furnish a quick guide for the improvement of instruction and curriculum and provide a chart to teachers for the improvement of the class program. These tests spot weaknesses in specific subject areas and offer teachers an index for re-emphasis in the same areas. Likewise they provide a basis for grouping pupils according to varying rates of achievement in different subjects. Our class medians indicated that Newton children were at or above the national norms in comparison with elementary pupils throughout the United States.

Our practice of appropriately observing legal holidays and special days helps children to identify themselves with group customs and traditions and also develops a deepen-

ing appreciation of their American heritage. Important also are the social studies values inherent in holiday observances which ultimately help boys and girls grow in social understanding and good citizenship. Particularly gratifying was the large number of parents and friends who visited our schools during American Education Week.

As teachers it is our duty to give to our students an understanding of ways to plan for their future as citizens. This we do by encouraging participation in the "School Savings Program." To date our response has been excellent. This program which started during World War II has proven to be one of our most effective means for teaching citizenship and thrift.

Participating in the "Spelling Bee" sponsored by the Manchester Union Leader has become an annual event. For the fourth time Diane Melville, of the eighth grade, represented our town at the Rockingham County Bee where more than thirty contestants shared honors for being selected "excellent spellers" from their respective schools. We are looking forward to entering the 1963 contest soon.

At the Memorial School organized baseball and softball have become an important part of our extra-curricula activities. Both teams were ably coached by Mr. Lucien St. Cyr and Mr. John Costello. For once the girls surpassed the boys and were in the limelight with an almost no-lose season — losing one game to Brentwood. The boys were successful to the extent that they qualified to play in the play-offs. In addition to the character training that comes from good sportsmanship, these activities contribute to the physical fitness of our youth.

It is rewarding experience for pupils to take field trips to places that have contributed or are contributing to the making of American history. Such trips were taken last spring to Lexington and Concord where children visited the first battlegrounds of the American Revolution. Other groups visited Cherry Hill Farm, Pease Air Force Base, Agassiz Museum, Coast Guard Station, Benson's Animal Farm and the Lawrence Airport. These trips were ar-

ranged only because they complemented areas of study in the classroom.

Mrs. Banks, R.N., school nurse, reports the following health program services rendered in Newton during the past school year. Annual vision and hearing tests, check on heights and weights, and color perception in grade five as recommended by the state were carried out. Also included in her services were referrals of children to clinics such as heart, crippled children, speech and sight conservation, recording of all cases of communicable diseases, home visits, first aid and teacher conferences. With the assistance of Mrs. Banks the annual medical examinations were given by Dr. Francis Harris of Plaistow in grades one, four and eight. Individual reports of the health examinations were sent to parents only if physical defects were discovered.

As supervisor of music the following report was submitted by Mr. Evan R. Williams:

"The goal of the music program is to educate all children in such a manner as to provide for a variety of musical growths geared to the individual. Many opportunities were offered this past year for the discovery and further exploration of music. A music festival was held in Raymond in which approximately five hundred students participated. They included various groups in New Hampshire as well as from Newton. All grades developed the Christmas program as well as the spring concert which was entitled 'A Tribute to the U. S. A.' The culminating activity for the Memorial School Chorus was a trip to the Boston Pops at Symphony Hall. Beside the many performing areas in which music was cultivated, continued emphasis was and still is being developed in the classroom in order to integrate the music program with home, school and community life."

The 1962 graduation exercises of the Memorial School took place at the Town Hall Thursday evening, June fourteenth. "American Documents," the graduation theme, was capably developed with appropriate essays and songs.

The Sons of the American Revolution annually awards a medal to a pupil of the graduating class who has best exemplified the principles of good citizenship. The qualities considered are dependability, cooperation, leadership, patriotism and cleanliness of speech and personal habits. Diane Melville was awarded the medal by Mr. Allan Carman, chairman of the medal committee. Twenty-four of our 1962 graduates are enrolled at Sanborn Seminary, with one each at Haverhill High, Haverhill Trade, Hampton Regional and the Emerson School for boys. As usual Class Day activities were enjoyed at Canobie Lake followed by a dinner in Merrimac. Our sincere thanks to the Newton Parent-Teachers Association which contributes generously to help finance this annual event.

In closing, I wish to thank the Board of Education, Superintendent of Schools Wendell V. Davis, Teacher Consultant, teachers, parents and friends for their keen interest in the activities of the Newton Schools.

Respectfully submitted,

MARION KALASHIAN,

Principal

REPORT OF SPECIAL EDUCATION CLASS

I hereby submit my third annual report as Special Class teacher. This year the Special Education class for Plaistow, Hampstead, Atkinson and Newton is located in the Atkinson Academy in a light, cheerful room which is an absolute necessity for the health and well-being of a group like ours.

Our district is one of only twenty-six school districts in the State with special programs for the mentally-retarded. Before this, the retarded had to struggle along in regular classes, either sitting doing nothing or under great stress and pressure trying to keep up with others.

The Special Class is not a class for the emotionally disturbed or the slow learner. Contrary to the impression of some parents, it is not a remedial class used to help children get up to their class level. Instead each child is helped to progress at his own speed. Ideally, a Special Class has no more than 12 pupils, but the State allows 15. We have at this time 14 pupils in our class comprised of Educable Children from 4 towns. We have 4 pupils from Plaistow, 2 from Hampstead, 4 from Atkinson and 4 from Newton. The September ages were $6\frac{1}{2}$ to $15\frac{1}{2}$ with a great range of abilities, making it necessary to have 5 reading groups and 5 arithmetic groups, ranging from pre-school to 5th grade level.

The highest group of students in a Special Class, according to State requirements, is expected to do 4th to 6th grade work by the age of 16. They are expected to progress only $\frac{1}{2}$ rate of the average child.

With so many reading and arithmetic groups, much of our emphasis has to be on those subjects which are the basic foundations for living.

With 3 small children in our group this year who do

not have a foundation for study and who need so much individual help in order to get a firm foundation on which to build, the day has to be divided to give a fair proportion of teacher time to each pupil. Thought should be given to planning a second class for the younger pupils so that all pupils can advance as much as possible.

Much of our language work is oral so that all ages may participate, although capitalization, punctuation, sentence structure, and letter writing have been practiced by advanced pupils.

Our science program is based on the 5th grade TV program on Channel 11 on Nature and on the 4th grade text.

Through the kindness of Mr. Charles Yeaton, our principal, a TV set has been made available for our use for 3 programs we watch — namely: 1. The Book Parade — a Reading Program for Kindergarten to Grade 4. 2. The 5th Grade Art Program every other week. 3. The Grade 5 Science Program weekly.

This year our class participated in the School's Christmas Program. The Special Class pupils sang with the 5th grade in the Angel Chorus and two of our boys were Wise Men and one a Shepherd in the Pageant. The class made 30 headbands for the entire Angel Chorus.

Our social studies program is for living in society — the family and the community — as well as study about our own section of America.

Our arts and crafts program is an essential part of our daily program — developing skills that will assist in future work. So far this year we have done regular crayon and paint work. We have made woven pot holders, popcicle stick bird houses, leather belts, comb cases and change purses. We made Christmas corsages, foam ball tree ornaments, icicles from coffee can keys and metal strips. Very attractive bird ornaments were made from cones, foam balls, cardboard wings, sequin eyes and were decorated with gold and silver paint and glitter. We also made can

cover ornaments. In the future we plan to do copper tooling, make earrings, do liquid embroidery, knitting and crocheting. You can see that our program emphasizes reading, arithmetic and development of hand skills to prepare for future work.

Special classes are a step in the right direction but more is needed. We definitely need a Vocational Training School in this part of the State to help with job opportunities when the pupils leave the Special Class at the age of 16, and must prepare to earn a living. They need help to prepare for life as independent citizens.

At this time I wish to express appreciation to the following people who answered my request for handwork materials and books: Mr. and Mrs. Leonard Chase, Mr. and Mrs. Warren Ells and Mr. and Mrs. Fred Gray of Hampstead; Mrs. Barbara Morse and Mr. and Mrs. Russell Winter of Newton; and Mr. and Mrs. John Regan of Atkinson.

I wish to express my gratitude to all who have assisted in any way, the work of the Special Education Class.

Respectfully submitted,

RUTH W. WEBSTER,

Special Class Teacher
